Federal Family Education Loans Student Federal Financial Aid Process

- 1. Complete the FAFSA.** Complete the Free Application for Federal Student Aid (FAFSA) for each academic year in which you would like to receive federal aid. The FAFSA can be obtained from the local library, your high school guidance counselor, a college financial aid office, or by calling 1-800-4FEDAID. The FAFSA is also available from the Department of Education’s Web site at www.fafsa.ed.gov. To make it easier to complete on-line, print out the Web Pre-Application Worksheet. FAFSAs are accepted and processed after January 1 of the year in which you plan to attend school. Be sure to indicate that you want to be considered for a student loan by answering “yes” to that question on the FAFSA.
- 2. Receive your SAR.** Once your FAFSA is processed, a Student Aid Report (SAR) is created. One copy is sent to you in the mail and electronic copies are sent to all the schools you listed on the FAFSA. If you filed a paper FAFSA, allow 6–8 weeks to receive your SAR. If you filed an electronic FAFSA over the Internet, allow 1–2 weeks to receive your SAR.
- 3. Receive your Award Letter.** The school(s) use data from your SAR to determine your financial aid award for the current academic year and sends you an award letter by email or US Mail. Pay particularly close attention to the type of federal loan(s) noted in your award letter. If there is mention of the *William D. Ford Direct Lending Program*, contact your school for the appropriate promissory note.
- 4. Complete the Federal Stafford Loan Master Promissory Note (MPN).** When completing the MPN, be sure to write the name of your school (please do not abbreviate the name of the school, i.e U of C), city and state, and school code (if known), in the upper right-hand corner of the master promissory note. After the MPN is completed entirely, make a copy for your records and mail the original to the address your credit union has instructed. **YOU ARE DONE!**
- 5. Your Credit Union will complete the application process for you!** Once you have completed your MPN, your credit union will send the original note to the loan processor—Great Lakes Educational Loan Services, Inc. The school you noted on your MPN will then be provided with a School Certification Form to complete and send back to the loan processor. A list of the processing centers is shown below with toll-free numbers to call and check on the status of your loan disbursements. You may also access www.mygreatlakes.com for information on your account. Once the loan is guaranteed, you will receive a disclosure outlining the amount of the loan, disbursement dates, and the interest rate.

Fees	<ul style="list-style-type: none"> • 0% guarantee fee (from loan proceeds, for loans to attend two- and four-year public and private undergraduate institutions and graduate and professional schools) • 1% guarantee fee (from loan proceeds, for loans to attend for-profit and technical schools) • 3% origination fee (from loan proceeds) 				
Disbursement	Loan proceeds are sent to the school, generally in at least two disbursements.				Loan proceeds are sent to the school, co-payable to the parent and school, generally in at least two disbursements.
Repayment	Repayment begins six months after the student drops below half-time status or graduates. May prepay any part of loan at any time without penalty. The government pays the interest on the loan while the student is in school and for six months after leaving school (including graduation).		Same as subsidized Stafford. However, interest is payable from the date of disbursement and, if deferred, will be capitalized to the loan balance after the in-school, grace, or deferment period ends. Unsubsidized Stafford borrowers can avoid the extra cost of capitalization altogether by paying the accrued interest monthly or any time before it is capitalized.		First payment is due within 60 days after final disbursement. May prepay any part of loan at any time without penalty.
	Repayment Schedules				
	Standard** (regular principal and interest payments over 10 years) Graduated (2–4 years interest only payments followed by standard payments) Income-Sensitive (based on gross income) Extended (regular principal and interest payments over 25 years)				
Borrower has up to 10 years to repay with a \$50/month minimum payment.					
Borrower has up to 25 years to repay if their first loan was made on or after 10/7/98 with a balance greater than or equal to \$30,000					

*Certain students in the health professions may be eligible for an increased unsubsidized aggregate amount if determined by their financial aid office.

**Borrower automatically gets this option, unless they specify otherwise.

Federal consolidation loans allow a borrower to consolidate multiple federal education loans into a single new loan. Ask your credit union if they offer this option.
